Dear Dr. Kolison:

On behalf of Provost Patricia A. Kleine and, after careful review and consideration, please be informed that Provost Kleine has renewed the special agreement on transfer of credits between Immanuel Lutheran College of Eau Claire and the University of Wisconsin–Eau Claire.

The specific terms of the renewal are as follows:

For a period of seven years, commencing on January 1, 2012, the University of Wisconsin-Eau Claire will accept the transfer of credits (up to 72 credits for each student) from Immanuel Lutheran College of Eau Claire. This agreement is based on the proviso that the credits are applicable to the curriculum of the University of Wisconsin-Eau Claire and that at the conclusion of the semester or session in which the transfer student completes her or his first twelve credits at the University, the student is in good academic standing and has a minimum 2.0 resident grade point average.

Please do not hesitate to contact my office should you have any questions or concerns.
