### **Education**

6/08-5/13	University of Hartford	Hartford, CT	Doctor of Educational Leadership
7/99-8/00	University of Tennessee at Chattanooga	Chattanooga, TN	Master of Science in Athletic Training
9/95-5/99	Mount Union College	Alliance, OH	Bachelor of Science in Athletic Training

### **Certifications and Licensures**

11/07-present American Red Cross

- Heart saver AED, First aid & CPR certified

8/1/16- present Texas Advisory Board of Athletic Trainers (TDLR)

- Licensed Athletic Trainer (AT 7061)
- DSHS AT license pending (Wisconsin)

11/99-present National Athletic Trainers' Association Board of Certification

- Certified Athletic Trainer # 119902102
- **NPI # 1811950199**

### **Professional Experience**

**7/20-present Assistant Professor; Program Director Master of Science in Athletic Training  
THE UNIVERSITY OF WISCONSIN-EAU CLAIRE; Eau Claire WI**

- Serve up to 40 students per year, offer strong university and community partner support through an array of clinical experiences, and provide rich research and evidence-based practice.
- Teach an equivalent of 9 credits per semester; three credits of release time for PD.
- Advise graduate students within the Athletic Training Program and serve as lead advisor for Pre-Athletic Training and other prospective students in the Athletic Training graduate program.
- Develop an active research agenda in interprofessional education and practice. Direct graduate research projects, support scholarly activity efforts through procurement of internal and external funding.
- Develop and lead efforts to maintain a collaborative relationship with Mayo Clinic Orthopedics and Sports Medicine Departments for teaching, research, and clinical experience needs.
- Collaborate with the Medical Director of the Athletic Training Program to develop and maintain a rigorous and current didactic and clinical education curriculum within the Athletic Training Program.
- Maintain and develop, with the Clinical Education Coordinator, connections with other university departments, community partners, and professional constituencies to enhance the clinical learning experience for students.
- Plan, oversee, and implement the Athletic Training Program budget according to current and future funding needs in consultation with the Chair of the Department of Kinesiology.
- Direct, lead, and supervise annual Athletic Training Program review processes to remain in good standing according to the CAATE standards and guidelines.
- Lead and supervise the process of documentation essential for the re-accreditation of the Athletic Training Program in accordance with all required CAATE standards and guidelines.
- Provide leadership for curricular review and implementation of curricular changes to the Athletic Training Program as dictated by the yearly program review process.
- Work with the Office of Admissions, the Advising Retention and Career Center (ARCC), and the Chair of the Department of Kinesiology to lead and support recruitment and retention efforts of the students in the Athletic Training Program.
- Manage the overall enrollment in the Athletic Training Program and provide leadership for the program admissions process and candidate selection.
- Develop and maintain the program webpage, social media pages, and public presence.

**8/16-present Clinical Assistant Professor, Clinical Education Coordinator  
THE UNIVERSITY OF TEXAS AT AUSTIN; Austin, TX**

- Faculty member in Kinesiology and Health Education Department.
- Teaching Therapeutic Modalities, General Medical Conditions, Introduction to Athletic Training, Athletic Training Program Administration, and three clinical practicum courses.

- Coordinating all aspects of Clinical Education for 55 matriculated Athletic Training Students.
- Oversees the Directed Observation (DO) program which prepares first-year Athletic Training Interest students including meetings, clinical exposure, and rotation schedule.

**Teaching Experience**

**7/20-present THE UNIVERSITY OF WISCONSIN-EAU CLAIRE; Eau Claire, WI**

- KINS 474 – Research Methods in Kinesiology (Fall / Spring)

**9/16-present THE UNIVERSITY OF TEXAS AT AUSTIN; Austin, TX**

- KIN 341 – Therapeutic Modalities in Athletic Training
- KIN 346 – Program Administration in Athletic Training
- KIN 140 – Clinical Practicum 1-6
- KIN 219 K – Introduction to Athletic Training
- KIN 345 – General Medical Conditions in Athletic Training
- KIN 140 S – Senior Research Seminar in AT; Evidence Based Practice focused.

**9/08-5/16 SOUTHERN CONNECTICUT STATE UNIVERSITY; New Haven, CT**

- EXS 281 – Anatomy and Physiology I
- EXS 282 – Anatomy and Physiology II
- EXS 286 – Therapeutic Modalities/ Physical Agents for Musculoskeletal Injuries
- EXS 383 – Kinesiology/ Biomechanics for Exercise and Sport
- EXS 411 – Pathophysiology/ General Medical Perspectives

**MOUNT UNION COLLEGE, Alliance, OH**

- AT 380 -- Therapeutic Modalities
- AT 390 -- Therapeutic Rehabilitation
- PE 305 -- Kinesiology

- ES 334 -- Strength Training and Conditioning
- AT 450 -- Field Experience, Equipment Intensive
- AT 250 -- Field Experience, Upper Extremity
- AT 255 -- Field Experience, Lower Extremity
- AT 216 -- Injury Recognition I
- AT 217 -- Injury Recognition II
- HE 317 -- Medical Aspects of Sport
- AT 397 -- Practicum III

9/01-5/04

**LYNCHBURG COLLEGE, Lynchburg, VA**

- AT 100 -- Introduction to Athletic Training
- AT 240 -- Clinical Education 1
- HMSR 152 --Fitness for Lifetime Wellness
- AT 326 --Upper Body Injury Assessment
- EXPH 380 -- Kinesiology
- HLTH 300 (Team Taught with Nursing Faculty)-Pharmacology

**Lectures, Presentations, Research and Publications**

- 10/19-12/19 Pedagogy in the Medical Model. Symposia at Dell Medical School, University of Texas at Austin
- 5/19 IPE Health Showcase. Building an Inter-Professional Model to Treat Eating Disorders in Collegiate Athletes. Panel Discussion participant.
- 11/18 University of Texas Concussion Health Symposium, Event coordinator
- 8/18 TSAAC Concussion Health Workshop for High School Coaches Round Rock, Texas
- 11/15 Latchman, P; Gates, G; Thiel, R.; Hannah, C.; Stachenfeld, N.; & DeMeersman, R. (2015). The relationship between indices of parasympathetic nervous activity and cardiovascular health in men. *Autonomic Neuroscience: Basic & Clinical*, 192, 79-88.
- 2/15 Assessing Baroreflex and Recovery Heart Rate. Former Research with Dr. Peter Latchman and Dr. William Lunn. Southern Connecticut State University.
- 10/14 Morin, G; Misasi, S.; Davis, C.; Hannah, C.; & Rothbard, M. (2014). Entry-level athletic trainers' self-confidence in clinical skill preparedness for treating athletic and emergent settings populations. *Athletic Training Education Journal*, 9 (4): 166-173.
- \*\* Awarded as Athletic Training Education Journal Research Manuscript of the Year in 2014, award presented and received at the 2015 National Athletic Trainers' Association Annual Meeting and Clinical Symposia in Saint Louis, MO.
- 1/14 A Comparison of Intramuscular Temperature using Low-Level Laser and Short-Wave Diathermy. Research Conducted at SCSU with Honors' Thesis student.
