**Student Work Study Earnings Report**

**Federal Work Study**

**Earnings Through Pay Period**  
**Ending:** 12/15/2012

Please monitor the remaining allocation of your federal work-study employees. Students must either stop work when this allocation is reached or be paid from a nonfederal funding, or in the case of off-campus work-study funding, the student must be paid out of your own resources.

Please direct questions regarding this report to the Financial Aid office at 836-3373. Do not reply to this email address as we will not be monitoring this email account. Although we believe this report is an accurate reflection of student earnings, you should consult WISDM for the most accurate and complete earning information.

The links below will take you to WISDM (Wisconsin Data Mart) for viewing current Student/LTE account balances. A log-in to WISDM is required to use this link.
