Are you looking for opportunities to maximize your leadership potential?
Consider becoming a Leadership Fellow for the 2016-2017 academic year!

Who are the Leadership Fellows?
The Leadership Fellows are a group of eight individuals who make up a leadership cohort. The Leadership Fellows cohort was created by the Vice Chancellor for Student Affairs in 2009 and is supported by Academic Affairs and Student Affairs. The mission of the cohort is to represent UW-Eau Claire in a variety of aspects and take the lead on developing and coordinating a campus-wide leadership project.

In addition to the larger, campus-wide project, Fellows have the unique opportunity to select a personal project. This project is a great opportunity to delve into an area of interest and hone key leadership skills.

Professional Development and Leadership Opportunities
The Fellows not only work within their cohort, but are also assigned a mentor from campus. The mentor serves the fellow by providing insight, professional wisdom and advice regarding leadership skills.

Application Process:
To learn more about the Leadership Fellows program, visit: www.uwec.edu/Studentaffairs/leadership/leadershipFellows.htm

Please complete and return the application to Vice Chancellor of Student Affairs April 11, 2016

All UWEC employees encouraged to apply!

Benefits of being a Fellow
The benefits of this program are endless!
• Work on a campus-wide project
• Meet 2 times a month for approximately two hours each time for professional development and group project work
• Attend 2 leadership retreats
• Champion an individual project
• Become a recognized leader at UWEC
• Receive professional mentorship
• Make a difference on campus
• Learn about resources and opportunities on campus
• Increase networking opportunities
• $1000 stipend
