

CCAMPIS

FUNDING

What is CCAMPIS?

CCAMPIS stands for Child Care Means Parents in School. UWEC Children's Nature Academy is excited to have received funding to support Pell Eligible, non-traditional student parents who have children ages 6 weeks to 5 years of age. The Nature Academy will provide child care at a reduced rate for qualifying families who have children enrolled in the program so that they can focus on their education at UWEC.

Why is this important?

CCAMPIS has proven to be a positive factor in the retention of non-traditional & low-income students, providing a greater equity in educational opportunity at UWEC.

Benefits of CCAMPIS Funding

- *Reduced Rates
- *Flexible Scheduling
- *Supportive Services for Families
- *Educated and Experienced Early Childhood Professionals
