What will transfer

University of Wisconsin-Eau Claire (UWEC) will transfer in any completed LE credits from CVTC, and most of the nursing program credits will be recognized as confirming credits. Students must complete a minimum of 30 credits of upper level nursing courses at UWEC for the BSN Completion program.

GPA requirements to transfer

A minimum cumulative GPA of 2.5 is required in order to apply and be accepted to the BSN Completion program at UWEC. In addition, students must achieve a 2.5 GPA in three of the natural science courses (anatomy & physiology, microbiology, general chemistry, and/or biochemistry).

When to Apply

Students may begin the application process at the beginning of their final semester of the CVTC Nursing-Associate Degree program. UWEC participates in the BSN@HOME collaboration program, which is a joint effort between six of the University of Wisconsin System nursing programs. Applicants will need to apply and be

admitted to UWEC and the BSN@HOME (www.bsnathome.com) nursing program. All students must have a Wisconsin RN License at time of admission or by the designated deadline once admitted.

If you are thinking about applying to UWEC and have questions about the application process or if you have possible transfer credits from another college or university, please contact Catherine (Kitty) Kenney at UWEC.
