

North Hennepin Community College to University of Wisconsin-Eau Claire Transfer Guide

While this guide outlines the general liberal education requirements at UW-Eau Claire, individual majors may have specific requirements or suggestions within these areas. Please consult with an admissions counselor about any specific requirements your intended major may have. This guide gives **examples** of courses that fit within liberal education but **does not include all courses offered through North Hennepin**. If you would like to take a course not listed on this guide, please consult with an admissions counselor to review for transferability.

Completion of an Associate of Arts degree from any two-year MnScu institution or completion of the Minnesota Transfer Curriculum (MnTC) waives all UW-Eau Claire liberal education requirements with the exception of any coursework specifically required by the major and the Design for Diversity requirement.

Important Notes:

- A maximum of 72 credits can be accepted from transfer liberal arts programs at 2-year colleges.
- Courses and grades both transfer to UW-Eau Claire. This means that the grades you earn prior to transferring will be factored into your cumulative GPA.
- Students are eligible to transfer with a GPA of 2.0; however, some majors require a higher GPA for admission. Students are encouraged to check out the [Transfer Student Admission Requirements](#) website and contact a transfer counselor to discuss major-specific admission criteria.
