Student Application Checklist	
CSDCAS Application	▪ CSDCAS portal: CSDCAS ▪ Follow all instructions to complete the application including: ○ **Personal Information:** Complete in full. ○ **Academic History:** Enter all previous, in-progress, and upcoming coursework ○ **Supporting Information:** Request three letters of recommendation (at least one from a SLHS instructor/supervisor). These are called "Evaluations" in the CSDCAS portal. Direct your letter-writers with a **November 1** deadline (but we understand some letters of rec will arrive later in **November**). ○ **Program Materials:** Compose and submit your personal statement following the directions provided in CSDCAS. Complete the Kira Assessment which includes an asynchronous interview activity (done on your own time prior to the **November 1** deadline). ○ **Request Official Transcripts:** Request **official** transcripts for **all** universities and colleges attended to: CSDCAS Verification Department, P.O. Box 9113, Watertown, MA 02471. Order all transcripts in the fall to be received by CSDCAS by **November 1**. Do NOT wait for fall grades to post. ○ **Complete the Kira Assessment:** NOTE: We strongly recommend using CHROME to complete your Kira Assessment for best success. ○ **Pay the UWEC Application Fee:** Once your CSDCAS application is fully complete (i.e., you have submitted your application, paid your CSDCAS fee, and your letters of rec, transcripts and the Kira assessment have been received), you will receive an email from UWEC which will direct you to create an account with the University and pay your $56 UWEC Grad School application fee. Follow the instructions in the email you receive for this step. Failure to complete this step will cause your application for our grad program to halt.
Monitor Application Status	▪ Monitor the status of your CSDCAS application to ensure items have been received and verified: CSDCAS Portal ▪ Check your email daily for any contacts from CSDCAS or UWEC related to your application
