### IMPORTANT NOTES

A **MAXIMUM** of 72 credits of coursework will be granted to students. This includes 100 and 200-level general studies courses, as well as approved occupational courses. If you are receiving military benefits, you may need to take 200 level courses only (listed as 8\_\_2\_\_). Please see a veteran's advisor at CVTC for further information. If you are receiving financial aid, you will need a certain number of 200 level courses (listed as 8\_\_2\_\_ ) to maintain eligibility. Please refer to the Mid-State financial aid website regarding the 150% rule for further information. Occupational and technical coursework leading to an applied associate degree may also be considered for transfer if the quality and content of the coursework from CVTC is judged to be comparable to coursework at UW-Eau Claire. Please contact the UW-Eau Claire Admissions Office for information about the current transfer policy.

Completion of an Associate of Arts degree from Mid-State Technical College will waive all liberal education requirements for UW-Eau Claire with the exception of the Design for Diversity requirements and any courses specifically required for a particular major.

Some majors and degrees at UW-Eau Claire have specific requirements in Liberal Education. Students are encouraged to consult the [Transfer Admission Requirements website](#) and contact a transfer admissions counselor at UW-Eau Claire for course recommendations. Additional information about requirements is also available in the catalog: <http://www.uwec.edu/registrar/catalogs/catalogs.htm>.
