University Seal and Mission

Council Oak

The Council Oak stands as a symbol of the University of Wisconsin-Eau Claire's commitment to serving as a place of meeting and exchange. The symbolism originated with the first Council Oak, a majestic tree that stood where the Ojibwe and Dakota nations as well as other nations, including the Ho-Chunk, Menominee and Potawatomi, met to share knowledge and discuss peaceful resolutions to their differences. The current Council Oak was planted and dedicated in 1990 by elders from the Ojibwe and Ho-Chunk nations after the original Council Oak, which had been damaged by lightning in 1966, fell in a windstorm in 1987. The Council Oak remains a sacred place and is recognized by UW-Eau Claire as a symbol of the ancestral and sacred lands of Indigenous Peoples, past and present. We acknowledge that UW-Eau Claire occupies the sacred and ancestral lands of Indigenous peoples. We honor the land of the Ojibwe and Dakota nations.

Our Mark of Excellence

The university seal made its entrance into the life of UW-Eau Claire in 1966, and today it remains the official symbol of the university and the values it upholds. The seal prominently features the Council Oak tree and the word "Excellence."

Mission Statement of the University

We foster in one another creativity, critical insight, empathy and intellectual courage, the hallmarks of a transformative liberal education and the foundation for active citizenship and lifelong inquiry.

Letter from Chancellor Carney

Dear Blugold graduates,

Commencement represents an important step in your academic journey. Congratulations on reaching this milestone moment! Your name is joining the list of more than 100,000 graduates from the University of Wisconsin-Eau Claire. This is truly a special place, and earning your Blugold degree from one of the top regional public universities in the country is a significant accomplishment.

As your time at UW-Eau Claire draws to a close, I hope this university will always have a special spot in your heart as it does in mine. As a student, I departed UW-Eau Claire feeling fully prepared to start my career and pursue my passions. That feeling grew stronger as I continued along my career path.

During my 26 years at UW-Eau Claire, I've had the pleasure of watching amazing students like you learn and grow together as you've developed relationships and friendships that will last a lifetime. Our exceptional faculty and staff have been a key part of your journey by helping you learn, mentoring you, and pushing you out of your comfort zone to reach your full potential. Many of them are here today to celebrate with you.

I am confident you will take what you've learned at UW-Eau Claire to do extraordinary things — things of immense practical significance that will positively impact the world around us.

As you graduate today, remember, wherever you go, you are forever a Blugold. The hard work, perseverance and courage that helped you reach this goal will continue to serve you well. I encourage you to show gratitude to everyone who helped you along the way.

Once again, congratulations! I look forward with eager anticipation to what you will accomplish. Please check in with us often to let us know how you're doing. We'd love to hear from you!

Sincerely,

A handwritten signature in black ink that reads "Michael J. Carney". The signature is fluid and cursive, written in a professional style.

Degree Interpretations and Regalia

Academic Distinction

- * **cum laude** (minimum GPA of 3.2)
- ** **magna cum laude** (minimum GPA of 3.5)
- *** **summa cum laude** (minimum GPA of 3.8)

Graduation with distinction is conferred on undergraduates who are earning a first or second baccalaureate degree and who have a GPA of 3.2 or higher.

Honors Programs

- † **Mark Stephen Cosby Honors graduates**
- ‡ **Departmental Honors graduates**

The Mark Stephen Cosby Honors College offers high-value experiences and a supportive learning community, enabling high-achieving students to integrate specially themed courses, interdisciplinary seminars, experiential learning opportunities, research and leadership. Graduating with university honors requires a student to complete the 26-credit curriculum and earn a resident and cumulative GPA of 3.5 or higher.

Departmental honors offer a path for students to deepen and expand their learning experience through honors-level work within their department or major.

Candidates for Degrees

COLLEGE OF ARTS AND SCIENCES

Honorary Doctorates

Carolyn and John Sonnentag are being honored today in the building that bears their name. They are the sixth and seventh individuals to receive honorary doctorates from UW-Eau Claire.

Carolyn Sonnentag

Carolyn is a 1967 graduate with a degree in medical technology. She joined the family business, County Materials, as a bookkeeper and later took on several leadership roles as the business grew. In 1988, she and John founded the Sonnentag American Foundation, which serves various urgent needs of community members in the cities and towns that are home to County Materials locations. The foundation has raised \$4.4 million for local nonprofits in those communities.

John Sonnentag

John is a 1966 graduate with a degree in business administration and history. As the CEO and chair of the board, he helped expand the family business, County Concrete, which later became County Materials. Under his leadership, the business grew from one location in 1971 to multiple locations across six states with more than 2,000 employees. Today, County Materials has more than 30 locations nationwide.

Today's Speaker

Zach Halmstad '04

Co-Founder of Jamf and Co-Founder of Pablo Group

Zach Halmstad is a graduate of Eau Claire North High School and the University of Wisconsin–Eau Claire, where he earned a degree in music and a minor in computer science. While working in the university's IT department, he developed early expertise in supporting Apple technology.

Building on those experiences, Zach co-founded Jamf in 2002 with a mission to help organizations succeed with Apple. Jamf grew into a global leader in Apple device management, expanding to 16 offices worldwide. The company was acquired in 2017 before going public in 2020.

After Jamf, Zach returned to his hometown and co-founded Pablo Group to invest in downtown Eau Claire. That work has included projects and partnerships such as The Lismore and The Oxbow hotels, the Eaux Claires music festival, and a broader collection of spaces where people live, work, and gather.

Zach is also deeply involved in philanthropy, co-founding Pablo Foundation and Home for Good, both aimed at strengthening and supporting the Eau Claire community.

His work reflects a long-standing commitment to building community through technology, entrepreneurship, and the arts.
