A general breakdown of costs for the part-time online graduate program is below. Costs will vary depending on technology needs per student, necessary materials, supplies, and travel related costs for residency weeks.

Please note that all costs are subject to UW System Board of Regent changes each summer for the following year:

- **Tuition and Rates (Graduate Program):**

- Tuition and fees for the first year are currently \$747 per credit (54 credits) (Effective Fall 2026).
- Tuition is charged as a flat-rate per-credit fee. Note: This may increase as much as 5% per year. The UW System Board of Regents sets tuition rates each summer for the following year. Because courses are online, location does not affect the per-credit fee.
- Program length: 3 years
- 54 credits - \$747 per credit = \$40,338.00

- **Additional Expenses (Graduate Program):**

- **Variable Expenses (Graduate Program):**
 - Costs for required textbooks and other required course materials/supplies (varies from course-to-course).
 - Travel to and from Eau Claire, lodging, and meals for the required residency periods.
