This Agreement is entered into between **Chippewa Valley Technical College (CVTC)** (hereinafter sending institution), and the **University of Wisconsin-Eau Claire (UWEC)** (hereinafter receiving institution). This Agreement and any amendments and supplements shall be interpreted pursuant to the guidelines set forth in Universities of Wisconsin System policies. Both institutions agree to maintain accreditation by the Higher Learning Commission and any other accreditation currently in existence pertaining to degree programs articulated via the transfer agreement.

The sending institution has established a Foundations of Teacher Education AAS program (hereinafter sending program), and the receiving institution has established an Elementary-Middle Education: Grades K-9 B.S. program (hereinafter receiving program) and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

- D. Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply.

Transfer of Credits

- A. The receiving institution will apply 62 of the 62 credits from the sending program. A total of **62** credits remain to complete the receiving program.
- B. Courses will transfer as described in the attached Program Articulation Table.

Implementation & Review

- A. The Provost, Dean, Department Chair, or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure, and guidelines, and conducting a periodic review of this agreement.

CVTC will assist UWEC in arranging recruitment events on both campuses.
- C. Any marketing of this agreement will be subject to the prior approval of both parties and will adhere to each institution’s standards for the use of its name and logo. Each institution will assume responsibility for appropriate marketing to reach its student population. Each institution may provide a link to this agreement and/or the other institution on its website, with notice to the other party.
- D. Both parties agree that failure to maintain regional accreditation will be grounds for termination of the agreement. Failure to maintain accreditation required by the specific academic program(s) referenced in this agreement will be grounds for exclusion of that program from the agreement.
- E. This Articulation Agreement is effective on 09/01/2026 and shall remain in effect until the end date 09/01/2031 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.

- G. This Articulation Agreement will be reviewed by both parties beginning 03/01/2031 (within six months of the end date) but will also be considered on a yearly basis upon updates to the undergraduate catalog at UWEC. Both CVTC and UWEC agree to notify each other of any curricular changes in a timely manner.
- H. When a student enrolls at the receiving institution following this agreement, the receiving institution will encode any course waivers and substitutions.
- I. This articulation agreement applies only to the receiving program in effect Fall 2026 until revised.
