| <b>MIN. 12 CREDITS MUST COME FROM 300-400-LEVEL COURSES</b> |  |       |

<sup>1</sup> These courses may be taken a second time with a different topic.

## ADVISING TIPS

- No more than 12 credits may overlap with this minor and a major.
- **Try to take courses from all areas of your degree each semester**— (1) University/Liberal Education (LE), (2) major, and (3) minor/certificate. Do NOT work to finish all your LE courses first. Get started right away on courses for your major and your minor/certificate program.
- The Interdisciplinary Linguistics Minor may not be combined with an English Linguistics major.
